

Trust your instincts

Y'all are already brilliant...

as successful, happy people
in your kindness and positivity
at problem-solving and working
toward solutions in groups
in your creativity, love & strengths
as a strong confident leader
getting along with all kinds of
people
in helping with everything you do
being very responsible & trustworthy
just as you are - nothing to change
- keep your light bright for all to
see!

We trust you... you need only to
Appreciate & love yourself!
